

Subject: Room Booking Request for Midterm Examination – [CPT 4294]

Dear Facilities and Room Booking Department,

I am writing to formally request a room reservation for the upcoming midterm examination for my course, CPT 4294: Cloud Multimedia. The examination is scheduled to take place on 6th July from 8.00pm to 9.15pm. To ensure a proper testing environment, I will need a venue capable of accommodating 90 students with standard examination seating (spaced desks). Additionally, the room must be equipped with a projector/screen for displaying exam instructions and a microphone/PA system. I kindly request that the booking be extended to include an additional 10 minutes prior to the start time and 10 minutes following the end time to allow for the orderly seating of students, distribution of materials, and collection of examination papers. Please let me know at your earliest convenience if a suitable lecture hall or examination room is available so that I may finalize the syllabus and communicate the logistical details to my students.

Thank you for your time, assistance, and continued support.

Sincerely,

Nor Idayu Binti Ahmad Azami,

Lecturer,

Faculty of Computing and Informatics (FCI),
